SUMMARY

Curious, persistent and a problem solver. Developed a passion for computers at a young age. My Mom was a Computer Lab teacher. As a result, tinkered with many different types of computers and software. This fueled my passion for functional software with seamless UX.

SKILLS

TECHNICAL EXPERIENCE

Software Developer Apprentice Nashville Software School

September 2021 - March 2022, Nashville, TN

- Built browser-based, full-stack applications using HTML, CSS, Javascript, jQuery, React, SQL, and Python/Django while learning principles of OOP in individual and teamwork settings.
